Values

The ISN pledges to:

- Focus its activities solely upon improving global kidney health.
- Be knowledgeable, efficient, and dependable to lead its mission effectively.
- Recognize that goals can only be achieved through a network of stakeholders that help build and leverage our capabilities.
- Be an inclusive partner collaborating transparently to create value for others.
- Be innovative, resourceful, and open to change.

[Read the ISN strategic plan, 2018-2023](#)

Diversity Statement

The International Society of Nephrology (ISN) embraces the principles of diversity and believes that inclusivity fosters the creativity, innovation, and excellence needed to achieve the mission of advancing kidney health worldwide.
