

Producing video content for your booth at WCN'21

We can help you build high-quality videos to upload to your virtual showcase space. Please see below the different options available with a description and example.

Get in touch for more information!

Sponsor Profile (1 min) – Voiceover and Slides

We'll combine a professional voiceover artist or a voice message from one of your team members with animated slides presenting the great work you do. We'll present this in a polished, branded 1 minute package.

Example:

Fee \$5,950.00

Sponsor Profile (1-2 mins) - Webcam Interviews and Pictures

We'll produce an exciting promotional video for your company or organisation, remotely recording up to 4 video messages from your team, clients or collaborators at the highest quality, or using voiceover from a professional voiceover artist. We'll combine this with photos, videos diagrams and more in a vibrant 1-2 minute video.

Fee \$10,950.00

Sponsor Profile (1-3 mins) – Location Filming

We'll visit you to produce a video showcasing the work that we do and enabling you to communicate directly with the WCN audience about the work you're doing and the services you're offering. The video can be between 1 and 3 minutes (the optimal length for online viewers) and could contain interviews with your team members and footage of your team at work, your products, or your facilities – all captured over one day of filming.
