

# Controversies in hyperkalaemia management and practical approaches

Saturday 26<sup>th</sup> February 16:00–17:30 CET

## Speakers

Dr Sydney Tang  
Chair

Professor  
Chuan-Ming Hao

Dr Kieran  
McCafferty

## Learning objectives

Highlight the burden associated with hyperkalaemia and the impact this has on the use of guideline-directed medical therapy for the treatment of CKD

Outline the recent updates to KDIGO guidelines around the use of potassium binders to optimise RAASi

Explain how guideline recommendations can be translated to daily clinical practice
