Instructions to update the list of participants

A) Check the "Fee Legend" above the table to verify the fee corresponding to each line.

B) Add/edit your participants' information by clicking on the "Edit" button next to each line.

C) Insert all required information (title, last name, first name, email and country) and then click the "Update" button to save the changes.

D) Use the "Download participants list" button, at the end of the page, to download your list of participants. The list includes your participants' usernames.

E) To exit, simply close the page.

Please check that participants' names are entered and spelled correctly to avoid last minute modifications and/or problems with eventual visa applications. Names should NOT all be written in capital letters, rather the first letter of each name should be capitalized (example: John Smith).

Start your reply all with: [Thank you!](#) [Please print.](#) [Received with thanks.](#) [Feedback](#)

Instructions:

1. Login to the Registration Portal:

- Please use your username above to login to your group account [here](#).
- If you are a first time user or if you do not remember your password, please to WCN Portal [here](#) (this is not the same link used to upload your group names), enter your email or username in the box "Forgot Your Password". A password reset link will be sent. If your activation email or password reset request email does not appear, please be sure to check your spam/junk mail folder. If these cannot be found in either folder you will need to ensure all emails from noreply@theisn.org, IP address: 149.72.23.77, are allowed in your inbox. This is something you may need to ask your IT to set this up.

2. Insert your Group Members Names

Please provide the following information for each delegate in your group: **title, name, surname, country, and email address**. Each delegate must have a unique email address. Please check that participant's names are entered and spelled correctly to avoid last minute modifications and problems with invitation letters. Names should not all be written in capital letters, rather the first letter of each name should be capitalized (example: John Smith). **The Group Leader must upload and finalise the list of participants no later than March 1, 2023**

Deadline: March 14

Thank you for listening – time to listen to you 😊
