

WCN'24: Instructions to prepare posters and e-posters.

Below are the guidelines for abstract presenters to prepare their posters and e-posters for the upcoming WCN'24 in Buenos Aires, Argentina. Further details will be shared with each presenter individually.

E-Poster format requirements:

- PDF file
- Layout: Portrait (vertical orientation)
- One page only (Dim A4: 210 x 297mm or PPT)
- E-Poster can be prepared in PowerPoint (one (1) PowerPoint slide) but must be saved and submitted as a PDF file.
- File Size: Maximum file size is 2 Megabytes (2 MB)
- No hyperlinks, animated images, animations, and slide transitions
- Language: English
- Include your abstract number
- E-posters can include QR codes, tables and photos

Physical posters:

Posters should be the following size: 1000 mm high x 700 mm wide, portrait orientation.
Larger posters in a different orientation will not fit on the poster boards.
