Candidate's Statement

I would assist Chairperson with the initiation and facilitation of ISN development initiatives in our region.

To engage in Board development activities in conjunction with Council officers. To assist with the management of the agenda with the Chairperson and the assigned staff member/s.

To attend specifically to information directed to the Deputy Chair and board members, such as emails, submissions, deputations, and financial reports.

I will assist the Chairperson with leadership, assisting with the activities of board, to ensure effective and efficient communications and co-ordination between nephrologist in our Region.

We represent geographic regions of the ISN. with low level of members 2 %.

Together with Chairperson we shall promote and strengthen the activities of the ISN, develop education, research, advocacy and members are required to participate in regular calls throughout the year

Together with Chairperson I would like promote online educational offerings and brings together nephrologists and health care professionals in the field of nephrology from around our region.

On that way we shall develop and implement an educational strategy for ISN.
