

aHUS International Forum Program

Registration/Reception Location: Foyer I (Ground floor)

Forum Location: Authentic I-II-III (Ground floor)

Radisson Blu Prague Hotel, Zitna 561/8, Prague, 120 00, Czech Republic

Friday, 8 December 2023

Time

18:00 – 20:00	Registration and Reception
---------------	----------------------------

Saturday, 9 December 2023

Time	Talk Topic	Speaker
09:00 – 09:10	Welcome on behalf of ISN	Larry Greenbaum
WHAT IS aHUS? <i>Session Moderators: Larry Greenbaum and David Kavanagh</i>		
09:10 – 09:40	What is aHUS? A discussion on nomenclature	Marina Vivarelli
09:40 – 09:55	Q&A	
EVALUATION FOR A COMPLEMENT DISORDER <i>Session Moderators: Larry Greenbaum and Nicole van de Kar</i>		
09:55 – 10:25	The Diagnosis of aHUS - Complement Biomarker Profiling	Richard Smith
10:25 – 10:45	What novel strategies are potentially useful in the diagnosis of patients with aHUS?	Marina Noris
10:45 – 11:00	Q&A	
11:00 – 11:30	<i>Coffee Break</i>	
11:30 – 12:00	What's new in the genetics of aHUS?	David Kavanagh
12:00 – 12:10	Q&A	
12:10 – 12:40	The role of genetic screening in secondary TMAs	Manuel Praga
12:40 – 12:50	Q&A	
12:50 – 13:50	<i>Lunch</i>	
CONTROVERSIES IN TREATMENT <i>Session Moderators: Nicole van de Kar and Zoltan Prohaszka</i>		
13:50 – 14:20	Enough is Enough: Eculizumab discontinuation in aHUS	Romy Bouwmeester
14:20 – 14:50	Monitoring relapse after discontinuation of C5 inhibitors	Neil Sheerin
14:50 – 15:10	Towards tailor-made complement inhibition using pharmacokinetic and pharmacodynamic knowledge	Rob ter Heine
15:10 – 15:25	Q&A	
15:25 – 15:45	Outcomes of complement-mediated aHUS with C5 inhibition - Implications for treatment	Vicky Brocklebank
15:45 – 16:05	Family screening in aHUS - the pros and cons	Gianluigi Ardisino
16:05 – 16:15	Q&A	

16:15 – 16:45	Coffee break	
FACTOR H ANTIBODY AND TREATMENT		
Session Moderators: David Kavanagh and Aditi Sinha		
16:45 – 17:10	Treatment of factor H antibody aHUS: Plasma exchange and immunosuppression	Arvind Bagga
17:10 – 17:35	Treatment of factor H antibody aHUS: Eculizumab and other immunosuppressive strategies	Christoph Licht
17:35 – 17:55	Q&A	
17:55 – 18:00	Close for the day	

Sunday, 10 December 2023

Time	Talk Topic	Speaker
08:00 - 08:05	Welcome for the day	David Kavanagh
aHUS IN THE TRANSPLANT SETTING <i>Session Moderators: Alison Ma and Julien Zuber</i>		
08:05 – 08:25	The use of C5 inhibitors in kidney transplant for patients with aHUS	Eric Rondeau
08:25 – 08:45	The use of C5 inhibitors in post-transplant recurrence of aHUS	Jack Wetzels
08:45 – 09:00	Withdrawal of C5 inhibitors post kidney transplant - who and how	Eric Rondeau
09:00 – 09:20	Differential diagnosis of TMA in a transplant	Neil Sheerin
09:20 – 09:35	Q&A	
TMA TREATMENT CONTROVERSIES <i>Session Moderators: Larry Greenbaum and Carla Nester</i>		
09:35 – 10:15	THBD variants and aHUS - Pro / Con	Marina Noris and David Kavanagh
10:15 – 10:40	Should we treat STEC-HUS with eculizumab?	Sally Johnson
10:40 – 10:50	Q&A	
10:50 – 11:15	Coffee Break	
MANAGEMENT STRATEGIES FOR aHUS <i>Session Moderators: Nicole van de Kar and Brad Dixon</i>		
11:15 – 11:30	Novel therapeutic Strategies for management of aHUS	Larry Greenbaum
11:30 – 11:45	Case Sharing - Recurrent TMA without Negative Complement Variants	Alison Ma
11:45 – 11:55	Q&A	
11:55 – 12:00	Closing Remarks	Larry Greenbaum David Kavanagh
12:00 – 13:00	Lunch
