

ISN Regional Coordinators

- Applicants must send a one-page abstract to the ISN Regional Coordinators at least **two months before the final submission deadline** (i.e. by March 1). The abstract must follow the template available on the CRP web page.
- The ISN Regional Coordinator conducts a first review of the proposal to make sure the topic is suitable, that the application is of a sufficiently competitive quality and may make recommendations for improvements prior to providing the applicant with a letter of approval.
- Applications cannot be submitted without this letter of approval.
