VENUE FLOORPLAN

Foyer level

1. Poster boards 230-373
2. Spotlight Stage 1
3. Wellness area
4. Poster help desk
5. Speaker preview room
6. Iguazu Falls room
Patagonia room
Perito Moreno room
7. ISN booth
8. Global Kidney Village
9. SAN & SLANH booths

Entrance level

10. Table Talks
11. Social Media wall
12. Big Data Lab
13. Spotlight Stage 2
14. E-posters
15. Kidney Studio
16. World Kidney Day booth

Mezzanine level

17. Sala 1
18. Sala 2
19. Sala 3
20. Sala 4
21. Sala 5
22. Sala 6

GENERAL INFORMATION

Access WCN'24 content at the ISN Academy

WCN'24 delegates will have access to all session recordings from the scientific program after the congress. Scan the QR code below or visit the ISN booth if you need help accessing your account or getting login credentials as a non-ISN member.

To access, visit:

academy.theisn.org/wcn24

or scan:

Wifi

To connect to the wireless internet at the Centro de Convenciones (CEC), simply log into the **WCN2024** network; no password is required.

Accreditation and credits

The ISN World Congress of Nephrology in Buenos Aires, Argentina, 13/04/2024-16/04/2024 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 20.5 European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she spent in the educational activity. Physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 credits®.

Make sure you scan your badge at the CME stations each day, as delegates can obtain CME credits only for the days your badge is scanned.

Live translation

Use AI-assisted live translation of the English language scientific program in more than 30 languages, powered by Wordly. Scan this QR code and then select the session room. When listening to audio, please be mindful of others and always use headphones or earpods.

Treasure hunt

Explore the WCN'24 locations listed as part of the treasure hunt detailed on the back of your delegate badge; visit all treasure hunt locations and redeem a prize at the ISN booth!

Badges

Official WCN'24 badges must be worn at all congress activities. If lost, a replacement badge can be purchased at the registration desk.

Social media

Follow the WCN hashtag **#isnwc** and **#ThisIsISN** to get social media coverage of the congress. Get featured on the WCN'24 social media wall using hashtag **#isnwc**.

Food and drinks

Beverages and appetizers are served during the welcome reception on Saturday, April 13 between 6-7:30 p.m. in the Exhibition Hall.

Coffee breaks are organized on congress days in the Exhibition Hall. Coffee breaks are supported by Alpine Immune Sciences.

Lunches are provided during industry symposia on Sunday, April 14 and Monday, April 15 served from 1:30 p.m. Additionally, breakfast will be available during industry symposia on Monday, April 15, starting from 8:15 a.m.

For a quick snack or refreshment, concessions are available for purchase at the Gastronomía upstairs.

Access for minors and facilities

Minors (persons under 18) can access the congress venue and other WCN'24 areas.* Minors must be registered at the congress registration desk. Registered children must wear a badge or wristband with the caretaker's contact details at all times while on site.

Adults are fully responsible for the appropriate behavior of the children they accompany. Interference with congress activities will not be accepted. The organizers take no responsibility for any damage to the venue, other facilities, or disruption caused by minors. Content deemed unsuitable for children may be displayed during WCN'24 congress sessions.

** Minors will not be admitted to the Opening Ceremony, the Exhibition Hall, the Interventional Nephrology Course, or industry symposia.*

The following child facilities are available:

- A playroom for parents, caretakers and minors is available at the CEC in Production Hall 3. All minors must be accompanied by their parent or caretaker at all times.
- A breastfeeding room is available in Production Hall 2.
- In each session room, the seats nearest to the exit will be reserved for delegates who may need to leave a session abruptly, such as doctors on call or parents with children.

Venue facilities

- Breastfeeding room – Production Hall 2
- Prayer room - Production Foyer
- First aid - Production Hall 1

Charging your devices

Stay connected and engaged throughout the congress without worrying about devices running out of power. Charging stations are available in the venue, supported by Baxter.

Lounge area

A lounge area is available during the congress to catch up on emails, connect with colleagues, or simply take a moment to refresh before diving back into the congress. Lounge is supported by Baxter.

Kidney Studio

Catch interviews, panels, and podcasts live from the congress at the Kidney Studio, offering twice-daily highlights. Kidney Studio supported by Novo Nordisk.

TUESDAY, APRIL 16

	Hall A	Hall C1	Hall C4	Hall D	Hall E	Exhibition & Main Foyer
9-9:30 a.m.	Clinical Management of Glomerulonephritis (GN)		Type 2 Diabetes in Kidney Disease: Recent Updates and Best Practices for Detection and Treatment	Environmental Approaches for Improving Kidney Health	Hi Aldo, What's New? Advances in Aldosterone in Health and Disease	
9:30-10 a.m.						
10-10:30 a.m.						
10:30-11 a.m.						Poster Session 4
11-11:30 a.m.	Plenary Session 4: Insights into SGLT2 Inhibitors: A Story of Discovery (Ele Ferrannini, Italy)					
11:30 a.m.-12 p.m.						
12-12:15 p.m.						
12:15-12:30 p.m.						
12:30-12:45 p.m.	Hot Debate in CKD Hypertension Management: Targeting Systolic BP Below 120?	New Insights into C3 Glomerulonephritis: Focus on Pathogenesis and Potential Therapeutic Targets	Complications and Nutritional Approaches to CKD: ISN-ISRNM Joint Session	CKDu Epidemiology, Risk Factors, and Treatment	Rare and Orphan Diseases	
12:45-1 p.m.						
1-1:30 p.m.						

SATURDAY, APRIL 13

Pre-congress courses

Annual Review of Nephrology Course		Hall C4
9-11 a.m.	A Review of Key Topics in Nephrology	
11:30 a.m.-1:30 p.m.	Treatment Updates for Kidney Diseases	
2:15-4:15 p.m.	Glomerular Diseases, Transplantation and Hypertension: What's New?	
Conservative Kidney Management Course		Hall C2
9-11 a.m.	Fundamentals of Conservative Kidney Management	
11:30 a.m.-1:30 p.m.	Symptom Management	
2:15-4:15 p.m.	Capacity Building for CKM and Terminal Care	
Interventional Nephrology Course		Hall D
9-11 a.m.	Catheters and Biopsy	
11:30 a.m.-1:30 p.m.	Arteriovenous Access for Hemodialysis	
2:15-4:15 p.m.	Ultrasonography for Nephrologists	
Navigating Kidney Care Symposium: From Guidelines to Practice, Personalized Care, and Quality of Life		Hall C3
9-11 a.m.	Translating Guidelines to Clinical Practice	
11:30 a.m.-1:30 p.m.	Individualized Care	
2:15-4:15 p.m.	Enhancing Patient Quality of Life	
Primer Course in Glomerular Disease: A Case-Based Approach		Hall E
9-11 a.m.	Foundation in Glomerular Diseases & Rapidly Progressive Glomerulonephritis	
11:30 a.m.-1:30 p.m.	Nephrotic Syndrome	
2:15-4:15 p.m.	Nephritic Syndrome	
Renal Pathology Course		Hall C1
9-11 a.m.	New Insights in Glomerular Disease: Part 1	
11:30 a.m.-1:30 p.m.	New Insights in Glomerular Disease: Part 2	
2:15-4:15 p.m.	Clinicopathological Correlations. With support from GlomCon	

1-2:30 p.m.

Sharing Expertise to Support the Set-up of Renal Registries: The Global Situation and Inspiration From Established Registries in Latin America: Part 1	Sala 1
--	--------

2:45-4:05 p.m.

Sharing Expertise to Support the Set-up of Renal Registries: The Global Situation and Inspiration From Established Registries in Latin America: Part 2	Sala 1
--	--------

4:30-6 p.m.

WCN'24 Opening Ceremony and Plenary Session 1: The Origin of the Universe (Daniel de Florian, Argentina)	Hall A
---	--------

6-7:30 p.m.

WCN'24 Welcome Reception	Exhibition Hall
--------------------------	-----------------

6:15-7:15 p.m.

Poster Session 1	Exhibition Hall and Main Foyer
------------------	--------------------------------

SUNDAY, APRIL 14

9-10:30 a.m.

Innovations in Transplantation	Hall A
Hands on Big Data Mining for the Nephrologist in 2024	Hall C1
APOL1 Targeted Therapies: Who to Test and Which Disease to Treat?	Hall C2
AKI and Critical Care Nephrology in Latin America - By the ISN Young Nephrologists Committee	Hall C3
Precise Phenotyping and Treatment	Hall C4
Population Health and Strategies to Protect the Fragile	Hall D
Translational Discoveries Paving the Way for Innovations in Managing Failing Kidney Complications	Hall E

11 a.m.-12 p.m.

Plenary Session 2: CrisprCas9 Therapy for Sickle Cell Diseases: How Do We Go from Discovery to Equitable Availability of Gene Therapy for All? (Obiageli Eunice Nnodu, Nigeria)	Hall A
--	--------

12-1 p.m.

Big Data Lab 1	Big Data Lab
----------------	--------------

12:15-1:15 p.m.

Hot Debate: Should a Low Protein Diet (+/- Ketoanalogue Supplementation) Be Part of Advanced CKD Management?	Hall A
Transplant Tourism in My Clinic: What Should I Do? ISN-DICG Joint Session	Hall C1
Advocacy Workshop: Championing Change	Hall C2
Strategies to Reduce Inequity of PD Provision Globally: ISN-ISPDP Joint Session	Hall C4
The ISN Emerging Leaders and Environmentally Sustainable Kidney Care: The Time is Now	Hall D
Onconeurology: Various Flavors of AKI	Hall E

Spotlight sessions

Spotlight sessions take place on the spotlight stages. Spotlight stage 1 is in the exhibition and poster hall, spotlight stage 2 is on the entrance level.

Saturday, April 13

6:15-6:45 p.m.	The ISN Emerging Leaders Program: How It Has Inspired Me and Changed My Perspective on Global Healthcare	Spotlight stage 1 (Exhibition hall)
6:45-7:15 p.m.	Building Renal Registry Capacity: Introducing ISN's Sharing Expertise to Support the Set-up of Renal Registries (SharE-RR) Toolkit	Spotlight stage 1 (Exhibition hall)

Sunday, April 14

10:30-11 a.m.	Hitting the Four Hits: The Potential of Dual BAFF/APRIL Inhibition in IgA Nephropathy <i>Supported by Alpine Immune Sciences</i>	Spotlight stage 1 (Exhibition hall)
12:15-1:15 p.m.	POC Testing for CKD/AKI Screening and Monitoring in Community Settings <i>Supported by Nova Biomedical</i>	Spotlight stage 1 (Exhibition hall)
1:15-2 p.m.	Kidney Tank: Social Media as a Professional Tool	Spotlight stage 2
2:45-3:30 p.m.	What is Ongoing in CKDu Around the World? - CKDU Interactive Discussions (ISN i3C)	Spotlight stage 1 (Exhibition hall)
4-4:30 p.m.	Potential Role of Anti-CD38 Therapy in Autoimmune Kidney Diseases Like Lupus Nephritis <i>Supported by Hi-bio</i>	Spotlight stage 1 (Exhibition hall)
4:30-5 p.m.	Laughter Therapy in Dialysis: What Does It Look Like and How Do You Do It?	Spotlight stage 2
5-5:30 p.m.	Glomerular Disease Jeopardy	Spotlight stage 1 (Exhibition hall)
5:30-6 p.m.	Challenges Pertaining to Peritoneal Dialysis Practice in Latin America: A Dialogue Between Nurses and Doctors	Spotlight stage 2
6-7 p.m.	ISN Programs Award Sessions	Spotlight stage 1 (Exhibition hall)

Monday, April 15

10:30-11 a.m.	Nephrology in Jeopardy: A Sustainable Kidney Care Quiz	Spotlight stage 1 (Exhibition hall)
12-1 p.m.	Chronic Kidney Disease and the Global Public Health Agenda	Spotlight stage 1 (Exhibition hall)
1-1:45 p.m.	Keys to Success to Be on Top of What is Published in Nephrology (ISN-ACT)	Spotlight stage 1 (Exhibition hall)
1-1:45 p.m.	Global Impacts on Kidney Care and Transplantation via ISN Sister Centers Partnerships	Spotlight stage 2
2:45-3:15 p.m.	What Nephrologists Can Learn From Nurses <i>Supported by Baxter</i>	Spotlight stage 1 (Exhibition hall)

3:15-3:45 p.m.	Introducing a Toolkit to Establish A Young Nephrologists Group as Part of Your National Society	Spotlight stage 2
3:45-4:45 p.m.	Young Nephrologists Quiz-a-Thon	Spotlight stage 1 (Exhibition hall)
4:45-5:30 p.m.	Implementing Early CKD Detection Programs	Spotlight stage 1 (Exhibition hall)
5:45-6:30 p.m.	ISN Community Film Event Award Ceremony	Spotlight stage 1 (Exhibition hall)

Table Talks

Sunday, April 14

	Topic 1	Topic 2
10-10:30 a.m.	Chat GPT and Other AI Tools, A Threat or an Opportunity for Scientists? <i>Letizia De Chiara, Peace Bagasha, Mythri Shankar, Marek Kollár, Ehab Hafiz</i>	Access and Barriers to Kidney Replacement Therapy for Women and Children <i>Nicola Wearne and Nzana Victorine</i>
4-4:30 p.m.	Evolving Evidence and Haunting Old Tweets: How to Use Social Media and Manage Trolling in the Post-COVID Era <i>Letizia De Chiara, Shaifali Sandal, Rasha Hassan Hussein</i>	

Monday, April 15

	Topic 1	Topic 2
10:30-11 a.m.	The Woman Nephrologists in Latin-America. Where Are We?“, hosted by the SLANH Gender Committee <i>Carmen Tzanna, Marina Papaginovich, Jacqueline Cadena, Olymka Vega</i>	Challenges to Career Progression <i>WIN</i>
4-4:30 p.m.	Gender and Kidney Health Challenges in LMICs <i>Urmila Anandh, Garima Agarwal</i>	How to Have Culturally-relevant Difficult Conversations on Career Advancement <i>WIN</i>

Gold supporter

Silver supporters

INDUSTRY SYMPOSIA

Sunday, April 14

1:45-2:45 p.m.

Navigating Newer Approaches to Managing IgA Nephropathy <i>Organized by Physicians' Education Resources, supported by Travers Therapeutics</i>		Hall C1
Caring for the kidney to protect the heart: hitting two birds with one stone <i>Organized by Bayer AG</i>		Hall C2
Emerging Concepts on Chronic Kidney Disease: From Nephroprotection to Hyperkalemia <i>Organized by AstraZeneca</i>		Hall C3
IgA Nephropathy and APRIL: From bench to the clinical world <i>Scientific content by ISN, supported by Otsuka Visterra</i>		Hall C4
Complement in C3G and IC-MPGN: where do we stand and what does the future hold? <i>Organized by Novartis</i>		Hall D
Comprehensive Approaches to Chronic Kidney Disease: Improving Diagnosis and Patient Management <i>Organized by Med Learning Group, supported by Boehringer Ingelheim & Lilly</i>		Hall E

Monday, April 15

8:30-9 a.m.

Evolving care for people with CKD: the role of SGLT2 inhibitors <i>Organized by Boehringer Ingelheim & Lilly</i>		Hall C2
---	--	---------

1:45-2:45 p.m.

Evolving Landscape of eGFR and Proteinuria Surrogate Markers in IgA Nephropathy <i>Organized by Calliditas Therapeutics</i>		Hall C1
Clinical and Real-World Evidence: Immediate, Complete and Sustained C5 Inhibition in aHUS <i>Organized by Alexion AstraZeneca Rare Disease</i>		Hall C2
GLP1 RA: Setting a new chapter in T2D & CKD <i>Organized by Novo Nordisk</i>		Hall C3
Targeting the Source of IgA Nephropathy: Focus on BAFF and APRIL Pathways <i>Organized by Vera Therapeutics</i>		Hall C4
Managing Patients with IgA Nephropathy: Taking it to the Next Level <i>Organized by Novartis</i>		Hall D
A KDIGO Session on State-of-the-Art Management of ADPKD <i>Organized by KDIGO, supported by Otsuka</i>		Hall E

EXHIBITION & POSTER HALL FLOORPLAN

Official WCN'24 sponsored symposium

MONDAY 15 APRIL 2024 | 08:30–09:00 AM UTC-3 | Hall C2

Breakfast will be provided

Evolving care for people with CKD: the role of SGLT2 inhibitors

OBJECTIVES

Highlight the guideline recommendations regarding regular risk assessment and first-line therapy, such as SGLT2 inhibitors, for people living with CKD

Review the evidence for use of SGLT2 inhibitor therapy for people with CKD

Discuss the practical management considerations when using SGLT2 inhibitor therapy for the treatment of people living with CKD and broader use for people with heart failure, renal and metabolic conditions

Roberto Pecoits-Filho (Brazil)

Arbor Research Collaborative
for Health, Michigan, USA

Adeera Levin (Canada)

St. Paul's Hospital,
Vancouver, Canada

YOU ARE INVITED TO AN OFFICIAL WCN '24 SPONSORED SYMPOSIUM

IgA Nephropathy and APRIL: From Bench to the Clinical World

OBJECTIVES

- 1 Highlight the role of APRIL in physiology and pathophysiology of IgA Nephropathy
- 2 Understand the link between APRIL and IgA Nephropathy
- 3 Discuss the rationale of emerging anti-APRIL therapies in IgA Nephropathy

SYMPOSIUM LOGISTICS

DATE AND TIME

April 14 | 13:45 – 14:45 GMT-3

LOCATION

Buenos Aires Convention Centre (CEC) | Hall C4

The scientific content of this symposium has
been developed independently by the ISN
